

# Zero Discharge Installation Manual

## 80L Low Volume - Manual Version

Suitable for all domestic split system toilets including the:  
Nature Loo Alectura, Clivus Multrum High Profile, CM8 and CM14

### Components

Collection Well

Manual Pump

19mm Return fittings

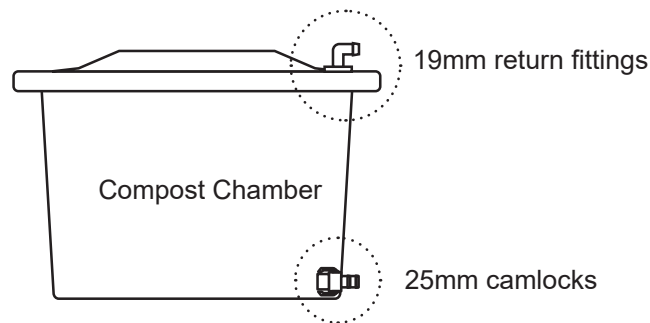

25mm Lilac sullage hose

19mm Spiral flex hose

Step 1: Cut a Ø35mm hole into the 'in-service' compost chamber lid (if not already pre-installed). Fit the 19mm return fittings to the chamber lid. Fit the 25mm camlocks to the liquid outlet of the chamber.

Step 2: Connect 19mm spiral flex hose and 25mm sullage hose to the collection well and compost chamber.
